

meeting minutes

Date: 02/20/08

Re: February Meeting

St. Louis Community College: Experienced Rider course is suggested to be one of our group rides. April 19th is the date chosen. Website is <http://www.stlcc.edu/conted/>. As of 2/20/08 there were 5 open spots left.

3 Things List: Paula would like each of us to think of 3 things we would like the chapter to do and 3 things that we would like Paula to do this year. She wants to clarify the vision of the group.

State Rally: 9th Annual MO State Rally is June 6-8 in Branson. See website for flier and registration form.

Safety: General warning about Manchester Road east of 270. There have been many accidents and traffic will only get worse as construction continues. Use real caution riding motorcycles on that road.

Fundraisers: Ideas for fundraisers such as swap meet and/or garage sale with proceeds going toward the chapter. Use Craigslist and dealer open houses or customer appreciation days also.

Meetup Group: Cathy to continue to mediate the Meetup group site. We'll see if it gets used more as the season gets warmer. www.meetup.com

Bylaws: Reestablish timeline to complete bylaws.

Rides: March meeting bring calendars to pick dates to ride. We would like to have the list of rides for the entire riding season selected by April. Email any ideas for rides to Brenda or use the Yahoo group to send email. We will be concentrating on weekend rides instead of weeknight rides due to Hwy. 40 closure. Lead rider and Tail rider will be established for each ride.

Movie Night: Movie night is 2/23/08 at Dede's house. Movie is *The World's Fastest Indian*. Park on the street.

Breakfast: Breakfast at Bevo Mill at 9:00 am on March 8th. Visit the Dave Munganest Museum afterwards. Check www.meetup.com for details.

Bike Inspections: Barb was going to set up a day for us to get our bikes inspected at Chesterfield Valley Power Sports. Meet at CVPS at 8:00 am on April 12th. Email Barb to let her know if you need a bike inspected.
